EVERGREEN HOME LOANS™ NAMED SIXTH BEST MEDIUM WORKPLACE FOR 2020

Bellevue, Washington — October 16, 2020 — Evergreen Home Loans™, a full-service direct home loan lender offering origination, funding and servicing with offices in six western states, announced today that it was named the number six best medium workplace by research and consulting firm Great Place to Work® and *Fortune* on their annual list of Best Small & Medium Workplaces™ in 2020.

Evergreen was among one hundred other medium-sized companies recognized on the national list. This is their fifth consecutive year as a best medium workplace and they've been a Great Place to Work® certified company since 2016.

"It's an honor to be recognized by Great Place to Work® and *Fortune* for the fifth year in a row," said Don Burton, President of Evergreen Home Loans. "We're committed to maintaining our culture and supporting each other with a kind word, a smile, or a helping hand. I'm proud of our associates for always creating a WOW experience for each other and our customers. They're the reason we're a great place to work."

According to Great Place to Work®, 98% of employees say Evergreen is a great workplace and 100% report they're given the resources and equipment to do their job. The ranking and designation were determined through anonymous survey responses from Evergreen associates and analyzing demographics and representation across the organization. Responses rated Evergreen Home Loans on metrics such as ethical leadership, respectful and fair workplace interactions, benefits and development, and strong personal support.

"Evergreen is a place where everyone feels appreciated and like family," said Chuck Iverson, Executive Vice President of Loan Production. "We provide the tools and resources for our associates to succeed professionally and personally, including a host of digital mortgage tools. This helps streamline and improve processes so associates can focus on adding the personal touches. It's an honor to be recognized as a best medium workplace and supports our commitment to becoming one of the best workplaces in the country."
